Description

Sage 200 Training Maximise the potential of Sage 200 for your business. Softext are leading providers of bespoke Sage training courses delivered throughout the UK. Whether you are new to Sage 200 or an experienced user we have a training course for you. We can deliver the course based on user experience, specific modules, functions and user roles. Options We encourage our customers to review the course outlines document (Please use “enquire now” button) and select the relevant topics and requirements for the training session. We can then tailor the training to meet your requirements. Location We typically deliver the Sage 200 training on premise using your companies data. Main benefit being we can use real life scenarios to train which provide the most effective results. If you would like to discuss your training requirements further please call us on 0121 323 2304

The logo for Sage 200, featuring the word "sage" in a green, lowercase, sans-serif font, followed by the number "200" in a grey, lowercase, sans-serif font. The entire logo is set against a light grey background with a subtle grid pattern.
