Fulham Electricians

769b Fulham Road
London, Greater London SW6 5HU
United Kingdom

Phone: 0203 489 9831

Looking for a local electrician near me in Fulham — look no further. With offices in Putney, close to the south bank of the River Thames, we're just a short drive from the London Borough of Fulham over Putney Bridge or Hammersmith Bridge. Our proximity to Fulham means our electricians can get to you anywhere in Hammersmith & Fulham or Kensington and Chelsea in under an hour in an electrical emergency for any electrical work.We are proud of our decades-long reputation for providing a full range of high-quality, fully guaranteed electrical services at competitive rates in the Fulham area. Whether your need an electrical wiring upgrade in your house or a commercial installation for your business in Fulham or

for us to diagnose faults, we can help. We respond quickly to all enquiries, always arrive on time, and clean up after ourselves, all for competitive fee.
